- **Preparing for Medical School and Other Health Professions**
  **Price Center West Ballroom**
  Is your student interested in exploring, preparing, or applying to graduate school in the health professions? Learn about the pre-health advising tools that will help them break into the field and enhance their time at UC San Diego.
• What’s Your True Color?

Red Shoe Room (2nd Floor, PC West)
True Colors is a personality test. Students in leadership roles will talk about their True Colors and share how learning this about themselves shaped their relationship with parents. Parents will participate in this exercise to learn what their True Colors may reveal about themselves.

• Maximizing Year Two - Succeeding as Sophomores (*)

Green Table Room (2nd Floor, Price Center West)
Sophomore year can be just as exciting as freshmen year. As your student enters their second year in college, learn from students who gained a clear understanding of themselves because of the sophomore programs and opportunities they took advantage of.

• A Tour of the Geisel Library

Meet in front of the Library, Library Walk
Take an intimate tour of the Geisel Library which was renamed in 1995 in honor of Audrey and Theodor Geisel. Led by a very informed librarian, learn about the architect, the history, and the impact of this eight-level building kindly located in the center of campus.
