

Navigating Your Student's Account

To gain access to your student's bill you must first become an...

AUTHORIZED PARENT/PAYER

SFS cannot disclose financial related matters to any third-party without written or electronic student consent.

As a result, if you are not an authorized payer, you cannot access your student's bill or contact our SFS team and ask for specific student account information.

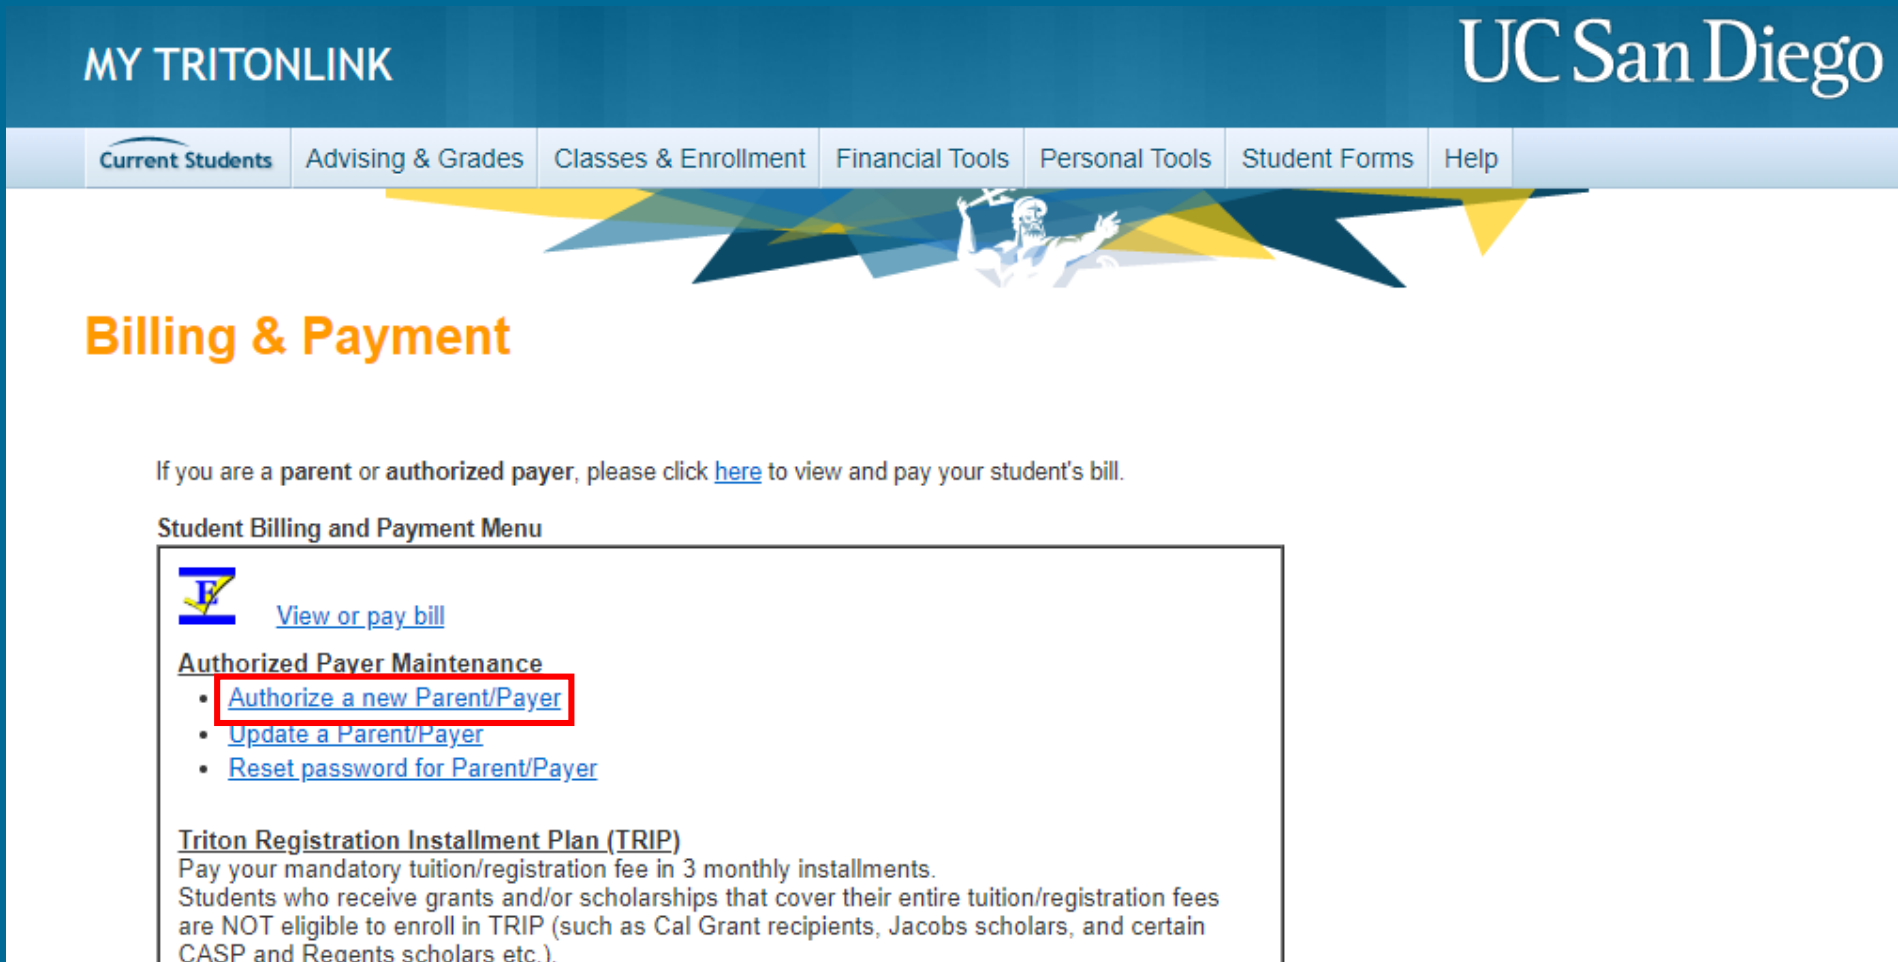

To become an authorized payer, your student must add you via TritonLink.

The screenshot shows the MyTritonLink interface for a UC San Diego user. At the top right, it says "Hello, Happy Error | LOG OUT". The main navigation bar includes "MY TRITONLINK" and the UC San Diego logo. Below this is a menu with categories: "Current Students", "Advising & Grades", "Classes & Enrollment", "Financial Tools", "Personal Tools", "Student Forms", and "Help". The "Financial Tools" category is expanded, with "Billing and Payment" highlighted in a red box. Other options in this menu include "Students Direct Deposit", "Financial Aid", "Health Fee Waiver", "RAFT", "Parking Permits", and "Residency for Tuition Purposes".

On the left, there is a "MyTritonLink" banner for "Error, HappyTest" at Revelle College, with the major "NanoEngineering" and icons for WebMail, TritonEd, and Handshake.

The main content area is divided into sections: "ANNOUNCEMENTS" with dates April 24 and May 1, "ACCOUNT" showing a balance of \$1700.00, "Financial Aid Status" with a "YOU'RE GOOD." message, and "OTHER SERVICES" indicating no Health Fee Waiver.

On the “Billing and Payments” page there will be a link to “Add an Authorized Payer/Parent”.

The screenshot shows the UC San Diego My TritonLink website. At the top, there is a navigation bar with the text "MY TRITONLINK" on the left and "UC San Diego" on the right. Below this is a menu with several tabs: "Current Students", "Advising & Grades", "Classes & Enrollment", "Financial Tools", "Personal Tools", "Student Forms", and "Help". The "Financial Tools" tab is highlighted. Below the menu is a decorative graphic featuring a stylized figure of a person with arms raised, set against a background of overlapping blue and yellow geometric shapes.

Your student should fill out the required information below.

Add Parent/Authorized Payer

From this page, you can give authorized payers access to your account information. In compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), your student financial records may not be shared with a third party without your written consent. Adding an authorized user is your written consent that an individual may view your account information and make payments on your behalf. Please note that authorized users DO NOT have access to your stored payment methods, academic records, or other personal information.

- You are granting access to an authorized payer to: make payments on your student account, access your billing statements, view your payment history, and view your account activity. Authorized payers cannot initiate actions on your accounts such as request a refund or cancel a check payment. These actions can only be requested by the student.
- By adding an authorized payer, you agree to be bound by our [terms and conditions](#). Read carefully before proceeding.
- Enter the name and e-mail address of the authorized payer.
- Click **Save** to enroll.
